

# MEETING OUR NEEDS CAMPAIGN

---

---

Our current campus renewal efforts are the result of the incredible efforts and support of many individuals and families with the extended Midland community.

In 2013, Trustee and past parent Ruth Fisher drove the effort with Ed Carpenter '64, Jean Schuyler, and Mason Willrich '50 to lead the charge as Campaign and Honorary Co-Chairs for the first phase of the Meeting Our Needs Campaign (2013-2016). This phase directly supported both the endowment and capital projects. It also laid the foundation for the second, recently completed phase that we are celebrating now.

The 64 folks listed here all led early and with confidence to transform Midland.

# MEETING OUR NEEDS CAMPAIGN

Come the Fall/Spring of 2016 The Board and Development Committee pivoted to the second phase focused on capital efforts to renew the campus significantly, building upon the newly reassessed Strategic Plan. Their vision and plan laid the solid foundation that is taking Midland into its next 90 years.
