

Position Opening: Science Faculty

Midland is seeking an enthusiastic, skilled, and hardworking science teacher to join our educational community. This position could range from part- to full-time, depending on the needs of the candidate and the school, and is an academic school year salaried (DOE) position (potentially including housing on campus). Midland School, located on a 2,860-acre ranch at the edge of the Los Padres National Forest in Santa Barbara County, California, has been a leader of place-based and experiential college preparatory education since 1932. We strive to have everything that we do—from the courses we choose to teach, to how we maintain our campus, to the way we feed ourselves—originate from an intentional curriculum that focuses not only on college preparatory classes, but also on leadership, community, and stewardship. If you would like to be a part of a team dedicated to teaching the value of a lifetime of learning, and a responsibility to community and environment, then join us and make a difference. See www.midland-school.org for more information about our school. Midland School is an equal opportunity employer and actively seeks diversity amongst our employees.
